1. While the broadcast forwarded in reference is excellent, we are shaking our heads over the amount of MALINDIG propaganda contained in it. The tongue in cheek praise tossed toward SEPALING and RTNEIGH in the last paragraph hardly makes up for the effusive praise accorded the MALINDIG organ.

2. At a suitable moment it might be well to raise with [] the desirability of being more non-partisan in their propaganda. While we agree with the principle of giving each party represented in RTNEIGH its due, this goes somewhat beyond those bounds, and makes some of the SOERIND errors look pious indeed.
